

## Places to Visit

Experience an American style diner at Billy Bobs near Myerscough.

Visit a real Native American totem pole at the World Museum in Liverpool.

## Useful Websites

**Ducksters**—Great information on history, written for children.

**Maths Frame**—Variety of maths games at different levels for children.

**Times Table Rock stars**—A classic game for children to perfect their times tables.

## Things to do

### Native American rainstick ➔

Make a traditional style rainstick from contemporary materials.  
Just follow the step-by-step instructions, perfect for all ages to enjoy.

Could you make your own Native American Rain stick?

Try making your own art in the style of famous American artist Andy Warhol.

Come to our Parental Showcase in the school hall on 25th November at 2.45pm.

# North America

## We Are Learning

### Maths

In Autumn term we will focus on Place Value, Addition and Subtraction, Multiplication and Division, Statistics and Area and Perimeter.

**English**  
In English this term we are looking at the stories Charlotte's Web and Tom's Midnight Garden. We will also look at writing newspaper reports and play scripts. In poetry we will look at Haikus and Limericks.

### Geography/History

Our first topic in Year 5 is all about North America. During the topic we will learn about the continent of North America and find out about some of the key event in history.

### Computing

In computing we will be using different software to create art and learning about blogging.

### Science

The Science topics this term are Living Things and their Habitats and The Use of Everyday Materials.

**PSHE**  
During RSE we will be looking at Rules, Rights and Responsibilities. We will also look at valuing each other and building good relationships.

### Art/Design Technology

In Art we will look at printing in the style of Andy Warhol. We will also improve our textile skills and make American Food—Burgers!

### French

In French we will look to build on our previous learning and find out about masculine and feminine words.

In RE we will be finding out about Islam and Christianity. We will learn about the Qur'an and discover why the story of Adam and Eve is important to Christians.

### PE

During the Autumn term we will look at dance and gymnastics. We will look at moving with control and making up sequences in groups.

### Music

During year 5 we have the opportunity to learn the Ukulele. We will learn how to play different notes and chords and start to read different notation.
