

PLACES TO VISIT:

We are incredibly fortunate to be based in Blackpool, which is home to world renown venues such as Blackpool Tower, The Grand Theatre and The Winter Gardens.

Why not stop to
admire their
features next time
you venture into
town?

USEFUL WEBSITES:

There are many useful websites out there that can be used to support and extend your child's learning. Some of our favourites are:

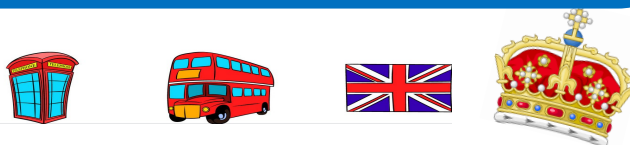

Oxford Owl (Free E-books)

Teach Your Monster To Read (Phonics)

White Rose Maths (Fun Maths games)

The School Run (Useful Tips and Advice)

THINGS TO DO:

Could you create your own model set of the Queen's crown jewels at home using your weekly recycling?

Why not host your very own 'Great British Bake Off' at home and work together to cook traditional British dishes.

KEEP IN TOUCH:

Share your work with us and follow us on:

Please feel free to contact us via Seesaw if you have any questions at all.

We're always here to help!

BRILLIANT BRITAIN

AUTUMN TERM - YEAR 2

WE ARE LEARNING ABOUT...

Maths:

As children enter Year Two, they will spend time looking at being able to represent numbers up to and including 100.

Children will also spend time looking at being able to compare numbers up to 50.

Science:

During the Autumn term, look at the topic of 'Everyday Materials'.

Children will spend time looking at why we use certain materials when making things.

Geography/History:

Within the Autumn term, Children will look at naming the four countries (and their capital cities) of the UK. The children will also look at the history of the UK and its monarchy.

Art / DT:

In our creative lessons, the children will be looking at being able to build structures and bake fresh products. Finally, the children will look at drawing using techniques to add texture.

PE:

In PE, children will be looking at Dance. They will learn how to move with control and coordination.

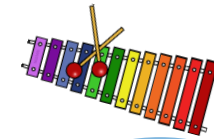

Computing:

Within Computing, Year Two will be learning to research online and take digital photographs.

RSE:

In RSE, your child will be learning to value the differences that we each have and looking at how to respect one another.

Music:

This term, the Children will be using their voices to sing songs and chants in an expressive and creative manner.

RE:

Throughout the Autumn term, Year Two will look At Christianity in-depth and will begin to explore whether how we treat the world matters and Learn why Christians say that Jesus is the light of the world.
