Total amount allocated for 2022/23	£ 17,330

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	41%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	41%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	41%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022-2023		Total fund allocated: £17,330	Date Updated: 01/09/2022	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Offer a range of sporting clubs and activities over the lunchtime period for children in KS1/KS2 to access. Increasing stamina and fitness level and the amount of daily sport.	Continue to work with BFC on offering additional sports activities during lunch times and throughout the school day.	£1500	Increased participation in lunchtime sporting activities. More children having opportunities to participate in sporting activities, led by professionals.	9%
Offer a range of sporting clubs and activities after school for children in KS1/KS2 to access. Increasing stamina and fitness level and the amount of daily sport.	Continue to work with Blackpool School Sports Partnerships to deliver workshops for children in Dance, Multi-skills, Football, Cricket, Netball and other sports.	£2000	Increased participation in after school sporting activities. More children have the opportunities to develop skills and learn new sports.	12%
To develop the range of resources on the EYFS/KS1 and KS2 Playground.	To audit the resources currently in use on all school playgrounds and develop them with a specific focus on dance and movement and developing children's balance and co-ordination.	£1,330	Increased participation in activities at lunchtime. More resources to participate in team sports and a wider range of sporting activities on offer.	8%

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
To develop staffs knowledge and understanding of how children develop and progress within PE and look at different teaching methods and activities that can be used within schools.	Teachers to access support from Blackpool Schools Sports and other training providers to develop their own knowledge and understanding and access PE CPD.	£2000	Staff will be able to access training with specialists to de	12%

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Contribution to support children in Years 5 and 6 access the week long residential to Boreatton Park. Children will experience a range of outdoor activities that are not regularly available.	To allow children to attend the Boreatton Park residential where they will experience a wide range of outdoor activities. This is to include water sports allowing them a broader experience and range of sports outside the daily PE sessions.	£3000	Children will have experienced a range of activities including canoeing, raft building, kayaking, archery, climbing and quad biking which cannot be otherwise offered through the school curriculum.	16%
To support the younger children in EYFS with learning to ride a bike by looking at the Bikeability, Balance Bike programmes.	Children will participate in sessions to develop their balance and co-ordination when riding a 2-wheeler bike.	£500	Children across EYFS will be more confident in the skills needed to ride a bike. Younger children will be able to balance and co-ordinate whilst older children can ride independently.	3%

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
To increase participation in competitive sporting activities across Blackpool by providing school transport to and from events.	To cover the leasing contract of the school mini-bus and pay for fuel and expenses.	£7,000	Children who do not have transport facilities will be able to participate in more competitive sports.	40%
