Dear Denise and all at Kincaig Primary School

We were delighted to receive your recent gift of £72.00 raised for Kidscape during Anti-Bullying Week. We are really grateful and thankful for your support, this donation will truly make a difference to the young people that we work with.

Kidscape believes that all children should be able to grow up in a world free from bullying and abuse, and that all adults should keep children safe and help them to reach their full potential. For 30 years we have been leading the field with our effective training, information and advice services to individuals and organisations across the UK and beyond.

As a small charity, we depend on kind donations from schools like yours to continue our vital work to protect vulnerable children. Your donation will help to make a tremendous difference in our ability to keep children safe from bullying and abuse, and to reach even more people who need our help.

Thank you for your kind support.

Kind Regards
