<p>How can we make further improvements to Kincaig Primary School?</p>	<ul style="list-style-type: none"> • Morning and after school club and holiday club for working parents. • Online set homework with tasks set for them so we as parents know areas for development. • To develop communication with parents – reminders of things that are happening. • Before and after school club to enable early and late drop offs etc. • To offer a before and after school club. • Please can you continue all clubs next year and bring back board games club. • To offer clubs for Reception age children.

As you can see there were lots of great comments from our parents this year and throughout 2015-2016 we will do our utmost to offer the same quality of education, care and provision, for our children and families.

The questionnaires have also informed us of areas we need to work on and develop. Throughout the academic year 2015-2016 we will work on the following targets.

- To look at reinstating the afterschool club and morning club provision.
- To ensure more extra-curricular activities are offered to children within the lower years and that the range of clubs continues to children across school.
- To look at other ways of communicating with parents.
- To look at the whole school approach to homework and the consistency of homework.
