School Council Meeting

Red Nose Day Final All Ideas.

Attendance: Rhianna, Korie, Harvey, Elissa, Grace, Chelsea, Tye, Cameron, Joe, Keily, Anna, Paisley and Ella.

- Last time we asked the children to talk to their classes about what they would like to do. After they brought their classes ideas back we shared them with everyone else.
- We picked out the best ideas we liked and thought how we could make it better or make more ideas from that original one.
- We decided that we would do the dress funny for money as you pay one pound to come into school with a crazy outfit on! One person from each class will get picked and win a special prize.
- This will raise money by donating the funding which the children have provided this money will go towards

children who are in need and we hope to make a brighter future the children abroad and in the UK

- We hope that this can build a stable future for the children abroad and in the UK.
