

WE ARE LEARNING

Maths

In maths this term the children will be focussing on Place Value, Addition and Subtraction, Money and Multiplication and Division.

English

In English we are looking at the stories about Paddington Bear and The Tiger Who Came To Tea. We will also look at books linked to our topic and write poetry linked to 'Brilliant Britain'.

Geography/History

Our topic on 'Brilliant Britain' see the children taking a journey through the British isles finding out about the country. We will also focus on London and find out about the Gun Powder Plot and the Great Fire of London.

Art/Design Technology

Our Art and DT topics will see the children practising their drawing skills, learning to use clay and making 3D structures.

Computing

In computing we will learn to research using the internet. We will also find out about digital photography.

PSHE

During PSHE we will be thinking about the importance of rules and think about our differences, learning to value each other.

Music

In music we will be learning to sing 'Hands, Feet, Heart'. We will also find the pulse of the music and start to think about the tempo.

PE

In PE we are focussing on Dance. We will think about moving with control and coordination, making up our own sequences.

Science

The Science topic this term is Materials. We will look at testing different materials to discover their properties.

RE

We are learning about the creation story in RE, looking at the story of Genesis. We will also look at the importance of Jesus to Christians.
