Walk Like An Egyptian

Year 4 Autumn Term

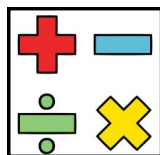

We are learning ...

Maths

Maths this term will see us focus on:

Place Value Addition and Subtraction
Perimeter Multiplication and Division

This is an important year for year 4 as they will carry out the Multiplication tables check, so all children will be regularly checked on their multiplication.

English

In English this term we are looking at these types of texts:
Non-Chronological Reports
Stories with Issues
Stories from fantasy settings
Kennings
Play scripts and film narratives
Poems on a theme

Science

The Science topic this term is Animals including Humans. This will look at the digestive system and food chains.

Geography/History

Our first topic in Year 4 is the Ancient Egyptians. We will find out about the history of Egypt and find out about Egypt today.

Art/Design Technology

Our Art and DT topics this term are:
Structures
Sculpture
Mouldable Materials
Still Life Drawing

Computing

In computing we will be designing a simple game and using software to make music.

PSHE

During PSHE we will be looking at Rules, Rights and Responsibilities. We will also look at building healthy relationships with each other.

French

During the Autumn term in French we will recap the numbers, look at different greetings and learning the colours.

Music

In music we will be learning to sing Mama Mia by Abba. We will practise singing the song and look at other famous songs by ABBA.

PE

Children in year 4 will swim every week on a Tuesday. We will also have PE on a Friday starting with Dance as our topic.

RE

In RE we will be finding out about Hinduism, with a trip to the Hindu Temple in Preston. We also look at the importance of the Bible to Christians.
