

## Places to Visit

The Ribchester Roman museum is situated at an old Roman Fort and has artefacts that were found there.

If you are able to travel up to Hadrian's Wall you will see one of the great Roman feats of engineering for its time.

## Useful Websites

**Ducksters**—Great information on history, written for children.

**Maths Frame**—Variety of maths games at different levels for children.

**Times Table Rock stars**—A classic game for children to perfect their times tables.

## Things to do

You could try making a Roman style mosaic using plaster of Paris.

Try making a Roman Serpent Bracelet like this one. Or you could research other types of Roman jewellery.

# The Ruthless Romans

Year 3  
Spring Term

## We Are Learning

### English

In English this term we are looking at the stories Romans on the Rampage and Adventure at Sandy Cove. We will also look at information texts about the Romans and learn about Rhyming poetry.

### French

In French we will look at numbers 0 to 6. We will also start looking at colours and asking what is your name and how to reply.

**Maths**  
In Spring term we will be improving our maths by looking at Multiplication and Division, Money, Bar Charts, Length and Perimeter and Fractions.

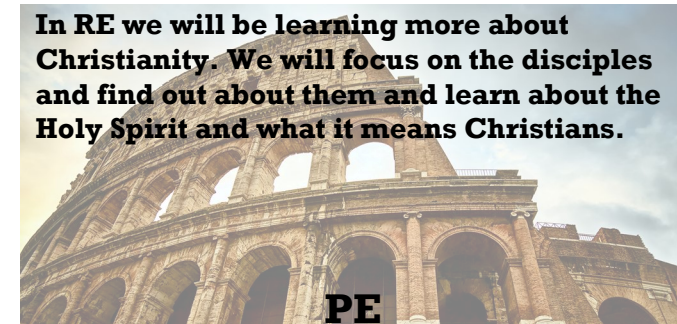

### Geography/History

Our Spring topic in Year 3 is all about The Ruthless Romans. During the topic we will learn about where the Romans came from, key figures from the period and key events from that time.

### RE

In RE we will be learning more about Christianity. We will focus on the disciples and find out about them and learn about the Holy Spirit and what it means Christians.

### PE

During the Autumn term we will look at dance and gymnastics. We will look at moving with control and making up sequences in groups.

### Computing

In computing we will start looking at how to film and make videos. We will also start to learn about network connections.

### PSHE

During PSHE we will be looking at Growing and Changing and Caring for the Environment. During the term the children will think about themselves and how to look after the environment

### Science

The Science topic this term looks at plants. During the topic we will learn about the parts of a plant and what they need to grow.

### Art/Design Technology

In art this term we will be looking at Roman Mosaics and make our own mosaic. In Design Technology, the children will make clay models and look at making food for a Roman Banquet.

### Music

We will be looking at reggae music this term focusing on the song 3 Little Birds by Bob Marley. We will also look at The Dragon Song and learn to play different rhythms on the glockenspiel.
