

Places to visit

As we are looking at rivers during the term, you could visit Wyre

Estuary Country Park and take a walk along side the Estuary.

If you wanted to see some animals native to rainforest environments, then you could visit

Blackpool Zoo. These Cotton Top Tamarins are endangered and come from South America.

Useful websites

Times Tables Rock Stars—Great game to help improve recall of times tables facts.

Rainforest Alliance—On this website there are games to play and information about the rainforest.

Things to do.

Using a clear jar or plastic bottle, try making your own micro habitat like the rainforest.

Using Fairtrade chocolate or cocoa you could try making a chocolate treat or cake.

The Amazing Amazon

Year 4 Spring Term

We are learning

Maths

During the spring term, we are going to continue looking at Multiplication and Division. We will also find out how to calculate the area. We will also look at fractions and decimals.

English

In English this term we are looking at stories and texts based on the Amazon Rainforest. During the term, we are going to write our own stories based on The Kapok Tree. We are also going to write explanations and discussions based on the Rainforest.

Science

The Science topics this term are Sound and Living Things and their Habitats. During the term we will learn about how sound travels and what can affect the volume of sounds. We are also going to learn about the environments of different living things.

Geography/History

The Topic in the Spring term is the Amazing Amazon. We will learn about South America and the Amazon basin. We will also look at the water cycle and learn about the different features of a river.

Art/Design Technology

In Art and DT this term we will be looking at printing, watercolours and food technology. We are going to make an Amazonian picture using watercolours and printing. In food technology we will make a savoury dish.

Computing

In computing we are going to learn to use HTML to create simple webpages. We will also find out about wiki's and learn how to create our own.

PSHE

During PSHE we will be looking at healthy lifestyles and what this means. We will also be thinking about our feelings during our topic on growing and changing.

Music

In music we will be looking at Rap and Gospel music. During the term we will learn to sing in time to the music and improve playing instruments to the music.

PE

We will continue our swimming lessons during the Spring term. We also have Blackpool Community Trust coming in to school to do some PE lessons with the class and teach them about healthy living.

RE

In RE we are going to find out about Sikhism. We will also learn about what sacrifice means to Christians through the stories of Jesus.
