All Nursery fees must be paid in advance each week. Payments can be made through the school office or through the ScoPay App.

Arrears will not be tolerated and if payments are not kept up to date, your child's place will be reviewed and potentially withdrawn.

If your child is absent from Nursery or sent home due to illness, you will still be expected to pay for your child's place for that day. If you are looking at changing your nursery sessions or wish to cancel your nursery place a minimum of **2 weeks notice** is required. However it is important to note all grant funding is paid termly and cannot be transferred to another setting until the 1st January, April or September.

I have read the above and understand the terms and conditions around nursery fees and payments.
