

PLACES TO VISIT

A local museum with information and artefacts from the Victorian period is Fleetwood Museum.

Judges Lodgings museum in Lancaster is a fantastic museum. Inside you can find a Victorian school room set out in an original Victorian style.

Blackpool was a popular tourist destination during the Victorian period. Built towards the end of Queen Victoria's reign Blackpool Tower is an iconic landmark which you could visit.

USEFUL WEBSITES

Times Tables Rockstars (TTRS) - See if your Year Four child can get their 'heatmaps' fully green before the end of the academic year.

Super Brainy Beans—This website has lots of information and links to videos about the Victorians.

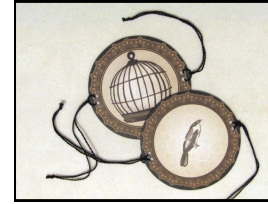

Education Quizzes—A free website with many different quizzes about a range of subjects. These are great for practising mathematics and English.

THINGS TO DO

You could try making your own spinner. Toys like these were extremely popular during the Victorian period.

This spinning toy gives the illusion of the bird being in the cage. Could you make one?

The Victoria Sponge is named after Queen Victoria. If you enjoy baking, then try making one of these delicious, traditional cakes.

LANCASHIRE LIFE

YEAR 4 SUMMER TERM

WE ARE LEARNING

Maths

In maths the children have a busy time this term as we will be focusing on; Decimals, Money, Time, Properties of Shapes, Statistics, and Position and Direction. We will be using all the skills we have learnt so far to help us.

English

In English we are looking at Stories with stories with a theme and folk tales. Children will also look at debates and information booklets. Children will also look at poems with a structure and theme.

Science

The Science topics this term are Electricity and States of Matter. We will learn how to make some different types of circuit and investigate components in a circuit. We will also find out about solids, liquids and gasses.

Geography/History

Our topic on 'Lancashire Life' will see us learn about the Industrial Revolution and the changes in Lancashire during this time. We will also find out about Queen Victoria and what life was like for children in this period of history.

Art/Design Technology

Our Art and DT topics will see the children using weaving, montage and gears and cams. We will be improving our skills during these units and making some more master pieces.

Computing

During our Computing lessons, we will be looking at how we can edit photos digitally and also look at being able to create digital games which incorporate repetition.

PSHE

During PSHE we will be thinking about Keeping Safe, Caring for the Environment and Money. We will discuss different issues and learn to be more responsible.

Music

In music we will be looking at the song 'Blackbird'. We will continue to improve our musical knowledge of tempo, pitch and rhythm and start to learn more notes.

PE

In PE we are focusing on athletics and games. We will look at striking games such as tennis and rounders and also improve our physical skills in running, jumping and throwing events.

RE

We are learning about Islam focussing on Ramadan and why Muslims fast during this time. We will also look at some parables and learn about Jesus' teachings of 'Love Thy Neighbour.'

French

Our weekly French lessons will focus on us looking at stories in French and we will also revisit the vocabulary we looked at previously on pets.
